

to E & R for initial review.

PRESIDENT: Second.

SENATOR MAHONEY: LB 11 is a Revisor bill--

PRESIDENT: Excuse me, Senator Mahoney. All right, you had your second.

SENATOR MAHONEY: LB 11 is a revisor's bill which deletes the obsolete matter in Section 39-6138, subsection 5. This subsection refers to requirements for lights to be placed upon a bicycle. The bill also corrects internal references by adding reference to Section 60-407. This section refers to the statutory requirements for license, examination, persons physically defective, minors, and learner's permits required to operate a motor vehicle. It extends the penalty section of 39-6113 to include violations of Section 60-407.

PRESIDENT: The chair recognizes Senator Barnett.

SENATOR BARNETT: A question of Senator Mahoney, if he will, please.

SENATOR MAHONEY: Yes, Senator Barnett.

SENATOR BARNETT: Senator Mahoney, I guess what I need to know is are we just wiping out the law now saying that bicycles need headlights and stuff like this?

SENATOR MAHONEY: No, I think that what you are saying is that we had some particular legislation in this field and I think that you were probably one of the prominent Senators in this last session and Senator Moylan, that it is language that the Statutes or the bill drafters have found that were necessary in order to coordinate or to bring it together and to harmonize it with the present Statute that is on the books.

SENATOR BARNETT: Duplication, then, of language.

SENATOR MAHONEY: Right, it's duplication to shorten the Statute and bring it up-to-date so it will not be so-- in an area that it would be confusing to the present laws that are on the books.

SENATOR BARNETT: OK.

SENATOR MAHONEY: It will take out some language that is not necessary and put the penalty portion in.

PRESIDENT: Any further discussion? The question is shall LB 11 be advanced to E & R. Record your vote. Have you all voted? Record the vote, Mr. Clerk.

CLERK: 40 ayes, 0 nays, 9 not voting.

PRESIDENT: LB 11 is advanced to E & R.

CLERK: LB 57. Title read.

PRESIDENT: What shall we do with LB 57?

SENATOR MAHONEY: Mr. President, I move that LB 57 be advanced to Enrollment and Review for initial review.

PRESIDENT: Is there a second? Senator Mahoney.
